SUMMER 2021

# Staff Meeting Offer

## Working Scientifically Staff Meeting - Remote

Book a One-hour remote staff meeting at a time to suit your school. This meeting will be led by one of our Cambridge & Peterborough Science Learning Partnership facilitators. Suitable for teachers from Y1-6. You will learn how to confidently implement strategies for planning, resourcing and organising enquiry that challenges scientific thinking.

### Outcomes

- appreciate and demonstrate an increased knowledge of progression in working scientifically
- understand how to effectively question to elicit different types of enquiry
- implement a wide range of strategies for planning resourcing and organising enquiry to support working scientifically and 'big ideas' in science.

**Fee: from £150 per school plus VAT**  
**Contact us: [training@swaveseyvc.co.uk](mailto:training@swaveseyvc.co.uk)**

SUMMER 2021

## Why choose us?

- Our professional development has proven impact and it is affordable. All CPD focuses on the impact you can have on yourself, your school and your pupils
- All our facilitators receive regular training updates and hold the STEM Learning CPD Quality mark
