GEMMA

**WILLIAM LAW C of E PRIMARY
EYFS**

As an early year's specialist, Gemma is an outstanding leader recognised in two Ofsted reports, by several LA advisors, head teacher's across the county and Advanced Skills Teacher inspectors. Gemma strives to make improvements in planning, teaching and learning, developing a team ethos, improving the effectiveness of assessments including baseline, coaching others and developing capacity for improvement.

Gemma's in depth knowledge of all aspects of the EYFS curriculum shines through in every school she works with. She strongly believes that the characteristics of effective learning should be at the heart of this exciting curriculum as they are crucial for igniting children's curiosity and understanding of the world.

With an empathetic and supportive approach to managing teams Gemma has a positive impact on the people she works with, building their confidence, minimising their work load with more effective systems and sharing her enthusiasm and passion for outdoor learning and new initiatives like the Sustained Shared Thinking and Emotional Wellbeing (SSTEW) scale.

Apart from EYFS Gemma is also passionate about phonics where she has taken a strategic lead to improve the quality and consistency of phonics teaching. Gemma loves to share excellent and innovative practice.

Having taught in EYFS for many years Gemma has a good understanding of leadership and management.

WORKING TOGETHER WITH OUR STRATEGIC
