KASIA

MAPLEWELL HALL SCHOOL

SPECIALIST LEADER of EDUCATION in MATHS

Kasia is an outstanding practitioner in Mathematics and has a depth of knowledge regarding what effective learning looks like. As a Masters graduate she takes an academic approach to her managerial role and often utilises her theoretical knowledge in order to secure outstanding experiences for students at all times.

Kasia has an impressive record of delivering outstanding and inspirational lessons and has shared this practice across the schools. She continues to be integral in supporting colleagues and has had a positive impact on a number of teachers at her own school and beyond.

Kasia has worked closely with partner school in Leicestershire to support embedding a new assessment focusing on improving the delivery of Maths. She has made a great impact due to taking time to aid fellow practitioners' practice. She has considerable experience in staff development, as well as lesson observation and leading staff meetings within her own school and experience of developing support packages and training staff within a partner schools in Leicestershire.

Kasia is able to provide tailored specialist support in maths and Middle Leadership development in order to raise standards. She is keen to cultivate outstanding teaching and learning and motivate staff to reach their true potential. She is focuses on securing the best outcomes possible for all learners.

Kasia believes that as educators, it is our job to work together to understand the educational setting from our children's perspective and find creative ways to overcome the barriers they might face.
