**SARAH**  
**HAMPTON HARGATE PRIMARY SCHOOL**  
**SPECIALIST LEADER of EDUCATION in ART**

Sarah is a creative, hardworking and approachable member of staff. She has the Art Co-ordinator role and has developed her skills and knowledge to become an outstanding leader of art over the 8 years she has held the role. She has an excellent knowledge and demonstrates expertise in this area, instilling knowledge and confidence in her colleagues. She has raised the profile of art in her school, facilitated whole school arts projects and developed arts with links to the community. She has worked with her colleagues to gather a wide range of evidence in the arts towards the Artsmark. Subsequently the school received an Artsmark Gold in July 2016, which was a tremendous achievement. She has now developed the Arts Awards in her school, which enables individual children to build an arts portfolio and recognises them for individual achievements in the arts.

As an effective teacher and subject leader she is passionate about ensuring that children are engaged and inspired by the arts. She has developed art within her school as a schematic approach, ensuring that the children are developed, challenged and motivated across the school. She has built a portfolio to demonstrate these achievements.

She is passionate about the arts and believes that it is an important subject that can be accessed by all pupils. Above all else though her biggest motivation is the pupils and their successes. Anything that can lead to pupils being engaged and happy learners is a good thing.
