## **KARINA**

### **HAMPTON HARGATE PRIMARY SCHOOL**

#### **SPECIALIST LEADER of EDUCATION in TEACHING & LEARNING, EAL, ITT & RQT**

Karina is a reflective and engaging practitioner, who is open to supporting and developing the educators of our children. She is passionate about children becoming successful, independent and happy learners through their time in education. Karina is experienced in mentoring student teachers and recently qualified teachers. This has enabled her to work alongside many teachers in the early stages of their career; to set goals and work on areas of development. She has been a subject leader of EAL for 6 years where she has made a positive impact to attainment and progress in advanced and newly arrived EAL learners.

As a class teacher herself, she wishes to support and develop teachers by sharing her current knowledge and experience wherever she can. Careful and well planned structured sessions will be delivered with the teacher in order to successfully observe, analyse and reflect on their practise. This will ensure the practitioner develops and therefore impacting the children's learning and progress.

Karina is an approachable person who enjoys working with colleagues and educators; tackling issues and areas together to create an understanding of direction and facilitate growing independence.
