

Train to Teach

We will give you an exciting career

At Hampton Hargate Primary School we are committed to the academic, personal, social and emotional development for all our pupils. We promote an engaging environment where successful and inspiring teaching and enthusiastic learning, tolerance and mutual respect towards others is valued above all else.

In pursuit of excellence we will always endeavor to demonstrate best practice, to promote the spiritual, moral, cultural, mental and physical developments of pupils in our school and in society, and prepare pupils in our school for the opportunities, responsibilities and experience of later life.

All pupils will experience a broad and balanced curriculum, which supports, challenges and extends their self-discipline, motivation and self-esteem in order to achieve excellence in learning. In working closely with pupils, parents and the wider community we will encourage the children to develop into confident, successful, responsible, independent beings who have an appropriate sense of Citizenship.
